

PRESS RELEASE

On April 23, 2010, in the wonderful setting of the Principality of Monaco, there was the important event organized by the Sintesi Group and the Association L.A.L.F. to celebrate the 95th anniversary of Master Louis Frosio.

In the occasion was donated to the Oceanographic Museum, in the presence of Prince Albert II of Monaco, an opera, "The Man of Light", created by the italian artist Enzo Catellani.

This event represented an important opportunity fo relations and high level meeting for all participants.

The Sintesi Group confirms the special attention to a growing international presence, serving as a privileged partner for companies and professionals interested in enter, or strengthen their presence in foreign markets.

For more information about the event in Monaco or on the activities of the Sintesi Group, please contact us at: coordinamento@sintesiconsult.com
