

Sintesi Group in the wonderful setting of the Principality of Monaco for an important event

100 years for Monte Carlo Oceanographic Museum and 95th anniversary of Master Louis Frosio

Attending were high level people from many different countries including France, Italy, UK, Eastern Europe”says Giuseppe Marino Admin. Delegate. President Nunzio Melici insists that Sintesi Group was pleased to have important institutional persons living and working in the Principality of Monaco as guests. “It has been a great opportunity for high level matching and relationship IISH
